Comfortable, Quiet And Convenient Living In The Heart Of Newtown

Convenient and comfortable inner city living await the buyers of this quiet and well maintained two level, security town house with undercover parking. Also the ideal investment in an area with assured strong rental demand, the home is positioned well back from the street, with its peaceful, leafy surrounds contrasting with the attractions of King St, just a few minutes walk away.

The lower level of the home features a bright combined living and dining space with floorboards flowing through to a cosy, private courtyard. A well equipped kitchen with dishwasher and serving bench,
